2017-07-07	393	4	Did one standard momentum, and then 2 cocky emotion trades at the worst possible time. Had luck to exit break even.
2017-06-19	385	1	Was careful and waited for good opportunities. Missed some in the evening around 20:00 but was tired and went out for a walk
2017-10-19	285	9	
2017-07-19	268	4	Premarket not very good, but after 17:00 the opps rolled in! Entered badly initially, but recovered from the loss and won some. Didn't act on some other in the meantime
